**RECOMMENDATION LETTER FOR LAVENDA ACHIENG**

I am writing to endorse Ms. Lavenda Achieng's application for the Future Earth Coasts Fellowship. Ms. Achieng is currently enrolled in an MPhil program focusing on Blue Economy, Governance, and Social Resilience at the University of Cape Coast, Ghana. Her academic interests center around environmental policies, marine plastics, and the circular economy.

Having taught Ms. Achieng in various courses such as Climate Change Adaptation and Mitigation, Geographic Information Systems, and Remote Sensing, I can attest to her exceptional dedication, research proficiency, and acute attention to addressing environmental issues, especially within coastal environments. Her academic pursuits and practical initiatives underscore her unwavering dedication to advancing coastal sustainability, a commitment that strongly aligns with the objectives and mission of Future Earth Coasts.

I hereby recommend Lavenda as an excellent candidate for inclusion in the Future Earth Coasts Fellows. Please feel free to reach out if you require any additional information.

Yours faithfully,

Mr. Richard Adade  
Assistant Research Fellow
