

DR RENUKA THAKORE
2023 Learning & Development Green Shield Award
2022 Global Sustainability Award
2022 “Development Leadership: Governor Enrique Tomás Cresto” Award
2022 Global SDG’S Woman Ambassador Award
Email: rbt_thakore@yahoo.co.uk Mobile: +447739021682 Wokingham, UK
<https://orcid.org/0000-0002-2415-1001>

PROFILE

Environment Management, Climate change, Sustainability and International Development Leader, 20+ years of experience as a consultant, researcher, trainer, and program manager (administration, operations, and communication, focusing on Environmental Futures, Multi-dimensional Sustainability, Capacity building, Mitigation and Adaptation planning, Knowledge sharing and learning, Innovation, Digital transformation, Resource mobilisation, Communications, Partnerships development, and Advocacy.

EDUCATION & PROFESSIONAL QUALIFICATION

Green Industrial Policy: Promoting Competitiveness and Structural Transformation			09/2023
Environmental, Social, Governance (ESG) Implementation and Reporting			07/2023
ISO 14064 -1 & ISO 14064 -2 Greenhouse Gas Accounting (GHG) Lead Verifier			07/2022
Lead Auditor for ISO 14001 Environment Management System and ISO 9001 Quality Management System			10/2008
PhD	Environment Management	University of Central Lancashire (UCLan)	10/2016
MSc	Sustainability for Built Environment Practices	Kingston University	12/2011
BSc (Hons)	Environment Management	Kingston University	06/2008

SKILLS

Strategic Project Management – Research, Planning, Development, Administration, Deployment, Partnerships, Team Leaderships, Management, Stakeholders Engagement, Supply Chain, Risk Management, Resource Management, Monitoring, Evaluating, Communication and Networking, Dissemination to Academic and Relevant Non-academic Audience, Public Relations.

PERSONAL ATTRIBUTES

Proactive, Solution oriented, Relationship building, Detail oriented, can do attitude, Learning and teaching, Decision-making, Prevenance, Confident, Flexible & Adaptable, Positive attitude, Enjoy and able to travel and work together.

ACHIEVEMENTS

- Sustainability Leadership – Established (administration, operational, communication and fundraising support) a global network of 5000+ stakeholders (academics, businesses, organisations, and individuals) in 161 countries in two and half years.
- Working with global community, coordinated and build partnerships with 100+ relevant stakeholders and provided technical support, ensuring local and international activities are prioritised for sustainability and climate change adaptation and mitigation actions alignment with the national objectives and the Agenda of the Paris Agreement.
- Organised 100+ workshops, webinars, and other knowledge-sharing events to promote locally and internationally sustainability intervention principles and project results.
- Lead, co-lead or provided technical expertise to 10+ projects, evaluated project outcomes, impacts and lessons learned to inform future locally led projects.

AWARDS /FUNDING

2023	Learning & Development Green Shield 2023	Sustainable World Supporters
2022	Global Sustainability Award 2022	Global Council for the Promotion of International Trade
2022	"Development Leadership: Governor Enrique Tomás Cresto" 2022	Senate Argentine (the government of Argenti

2022	Global SDG'S Woman Ambassador Award 2022	Global Ambassadors of Sustainability	
2021	UKRI ECR Forum Introduction Week Leader No.1	UKRI	Whova App
2019-20	UK-Brazil Researchers ECR Network Champion	UK-Brazil	
2012	PhD Studentship Scholarship	UCLan, UK	£5000/annum
2011	Principal Investigator for Industry research project	BSI, UK	£2000

> 50 Grants for registration and attendance to all conferences, research seminars, etc.

CURRENT PROFESSIONAL MEMBERSHIPS & INTERNATIONAL ENGAGEMENT

- Presented climate and health policy recommendations that will be shared with Commonwealth Ministers and Senior Officials at the Women’s Affairs Ministers meeting, as an invited attendee to the 1 August 2023 Roundtable: Gender, climate change and health: how can we do better for women and girls?
- Invited volunteer on the Global Judging Committee for the ‘Solving for Humanity (SFH)’ program organised by the youth-led global network ‘South-North Scholars’ with the colleagues at the United Nations Human Development Report Office (UN HDRO).
- RINGO member of Climate Finance Interest Group.
- Taskforce for TEC Activity A.2.1 Research, Development, and Demonstration
- Online participation in the thematic dialogue at the TEC-FAO Thematic Dialogue: Accelerating climate innovation and technology in the water-energy-food systems for inclusive NDC and NAP implementation - 8 June 2023, 9.00-12.00 hrs. at Langer Eugen building, UN Campus.
- Observer at the eighth meeting of the Katowice Committee of Experts on the Impacts of the Implementation of Response Measures (KCI8), Bonn, Germany on 1-2 June 2023 (Online).
- Observer at the Joint session of the Technology Executive Committee (TEC) and the CTCN Advisory Board, since 24 March 2023.
- Contributions to the Katowice Committee of Experts on the Impacts of the Implementation of Response Measures (KCI), Leadership Dialogue 3 - Round 2 (Leadership Dialogues), Stockholm+50, and preCOP 26.
- Trustee for Arkbound Foundation and See Through News Brains Trust
- Advisor to MGVCP Biotech, Mud & Mind, Equator Geo Private Limited, and Actions for Development of Africa (ADA)
- Practitioner member of IEMA
- Associate Fellow of the Higher Education Academy (AFHEA)
- [Future Earth SSCP KAN Steering Committee Member](#)
- Associate Editor – Journal Discover Sustainability (Since 24/06/2021)
- [International Scientific Committee Member for Transdisciplinary Workplace Research \(TWR\)](#) network conference, Weimar, Germany.
- UK Coordinator for International Research Network on Resilient Climate Development – RIPEDRC
- Steering Group Member of Open Research (Early Career Researchers Network) at the University of Central Lancashire, UK.
- Research, Knowledge Exchange, and Ethics Committee (Early Career Researcher representative) at the University of Central Lancashire.

CAREER HISTORY

06/2023 - Now	Global Sustainable Futures Network CIC (previously Rainkal Eco Consultancy)	Founder, CEO, Principal Consultant
01/2020 – Now	Global Sustainable Futures Progress through Partnerships Network (GSFN)	Founder
09/2016 – Now	University of Central Lancashire (UCLan),	Lecturer & Researcher
04/2017 – 12/2022	University College of Estate Management	Research Officer

05/2020 – 03/2023	Kingston University (Kingston), School of Engineering & Environment	Lecturer
01/2020 – 04/2020	The University of Reading (Reading) Department of Geography and Environmental Science	Lecturer
05/2010 – 12/2011	British Standards Institution (BSI)	Management Systems Researcher
09/2008 – 10/2008	University College London	Space Syntax Observer & Analyst
03/2007 – 10/2008	Kingston College	Learning Support Assistant
10/2005 – 04/2006	BathSpa University	Ambassador/Tutor/Mentor
06/1995 – 05/2005	Rainkal Land and Estate Developers	Partner and Managing Director

RESEARCH EXPERIENCE

To undertake high-quality research, including being responsible for forming consortiums and liaising with partners, project management and administration, literature review, quantitative and qualitative data collection and analysis using SPSS and relevant software, publishing the findings in highly rated internationally recognised journals and participating in significant internationally recognised academic conferences and networks.

Future Research in design phase

Farm Carbon Calculator	Building a farm carbon calculator for every country worldwide to use it as a tool to educate the whole supply chain in agriculture in terms of carbon literacy, including understanding soil, water, crops, trees, land management, and all the parameters impacting agriculture, how to smoothly transit to environmental friendly, circular and sustainable practices, provide an eco-system for innovative social construction where an interdependent collaborative leadership including everyone, men and women, could be complementary to each other rather than competing with each other, and increase diverse practices within the context of local and regional culture.
------------------------	--

Research Funding Applications in Progress

British Council, Going Global Partnerships, Gender Equality Partnerships grants	Drafting application with partners in Brazil, Egypt, Indonesia Jordan, Kenya, Myanmar, Nigeria, Pakistan, South Africa, Ukraine and Vietnam
---	---

Research Funding Applications Submitted

Commercial Partnerships Amplifying Skills & Sustainability (COMPASS)	Application submitted to British Council, Going Global Partnerships – Industry Academia Collaborative Grant, partnering with academic and industry partners in Bihar, India.
The Creative Social Prescribing Mental Health Framework”: Mobilising community assets, harnessing creativity, and nature to address health inequalities.	Application submitted to UKRI funding for Collaborative community research to tackle health inequalities, submitted on 10 July 2023, participating as a Research Lead.

Completed Research Projects

2021-23	Research Associate, UCLan	Higher Education Innovation Growth and Training (HEIght) WP2:	A consortium of 4 UK-EU partners – (20*), publication under preparation, surveyed 130 participants, analysis using SPSS, focus group discussion, and case study approach. Analysis of innovation and enterprise capabilities
2022	Principal Investigator, UCLan, £4841 grant	INFUSE: Influence of sustainability education on the perception of sustainable menstrual products and contribution to Sustainable Development Goals: Evidence from India and UK.	The School of Justice, UCLan internal grant, (4*), one journal article: https://doi.org/10.1007/s43621-022-00097-4 . Analysis of menstrual hygiene management practices, literature review, surveyed 115 participants and used SPSS analysis, modelling principal component analysis, group discussion and workshop approach.
2022 (Jan-Aug)	Co-Investigator, UCLan, £12,000 grant	ECOBUSS: Enhancing Commercial Acumen and Organisational Capacity in Business – UK-India partnership project for science women graduates	Going Global Partnerships Exploratory Grant – (4*), 1 publication under preparation. Analysis of skills for employability, literature review, focus group and survey.
2021-22	Principal Investigator, GSFN	STRIDES: Systemic Transformative and Resilient Interventional Drivers for Education for Sustainability	A consortium of 25 countries – (35*) – 1 publication, 1 publication under review, literature review and case study approach. Analysis of strategies for mainstreaming education for adaptive capabilities and sustainable development in education systems.
2020	Research Assistant, UCEM	Evaluating Learning Needs for Ex-Military Veterans in Construction	Industry research (3*) – survey design, data collection and analysis.
2019	Principal Investigator, UCEM	Insights into Education System for Sustainable Development: The case of UCEM, UK	Independent research – publication of 1 peer-reviewed conference paper . Document analysis
2019	Co-Investigator, UCEM	How do corporate drivers and individual preferences for agile working	Post-doctoral research – published 1 peer-reviewed conference paper and a book chapter . Literature review, survey and interviews.

meet? Study of
Hong Kong
organisations and
employees

2018	Co- Investigator, UCEM	Value of Community: Building a Legacy	Industry research with the Prince Foundation – published 1 report . Literature review, interviews and surveyed 900 participants and used SPSS analysis and modelling.
2016- 17	Research Associate, UCLan	Advancing Skill Creation to Enhance Transformation (ASCENT)	A consortium of 9 countries (17*) – published 2 journal articles: https://doi.org/10.1016/j.proeng.2018.01.122 https://doi.org/10.1016/j.proeng.2018.01.158 . Literature review, surveyed 530 participants and applying ranking modelling using SPSS, interview and focus group.
2012- 16	PhD, UCLan	A Strategic Engagement Model for Delivering Energy Efficiency Initiatives in the English Housing Sector	Individual PhD research – published 1 thesis , 1 journal article and 3 peer-reviewed conference papers: https://core.ac.uk/download/pdf/250168776.pdf . Literature review, document analysis, surveyed 110 participants, analysed responses using principal component analysis through SPSS, Delphi – 2 rounds, 18 participants, focus group discussion for consensus building. Model evaluation and validation.
2011	Principal Investigator, BSI	Financial Performance of Quality and Environment Management System Certification	Industry research with BSI developed sales training and web-based interactive ISO 9001 ROI marketing tool – 1 peer-reviewed conference paper: https://ascelibrary.org/doi/10.1061/9780784412688.107 . Literature review, 10 years longitudinal data analysis and modelling using SPSS. Developed excel based travel carbon emissions reduction tool for the BSI remote working auditors and consultants. The tool helped the user to decide on the low-carbon mode of transport, The tool helped reduce the carbon emissions, contributing to the BSI carbon neutral plan
2008	Research Assistant, UCL	Space Syntax Observer and Analyst	Developed a heat map of the commuters on MapInfo. Gate count, interviews and mapping.

*Number of researchers in the team

TRAINING & TEACHING EXPERIENCE

To design and deliver research-informed lectures, training, and workshop seminars at all levels of the academic programmes in the school as agreed, engage in course developments (including Verification, Marking, Moderation, and curriculum development), administer course registers, assessment records, learning programmes and other students' records, adhere to quality assurance and enhancement systems to ensure high standards are maintained and enhance the student experience.

Year	Level	Role	Mode	University	Subject
2022-23	7	Marker	Online	UCLan	Research Methods
2021 - Now	4 & 5	Module Leader	Online	UCLan	Student-initiated Module (Research)
2016- 2022	7	Module Leader	Distant Learning	UCLan	Environmental Law
2020-22	4/5/6	Module Leader	Online	UCLan	Contract Law

2020-22	7	Module Leader	Normal	Kingston	Building Appraisal, Maintenance and Renewal
2020-21	5	Marker	Online	UCEM	Planning and Conservation
2017-21	7	Module Tutor	Online	UCEM	Sustainable and Innovation Construction
2020	6 & 7	Module Leader	Normal	Reading	Environment Management – Principles and Practices
2018-19	7	Marker	Online	UCEM	Maintenance and Adaptation of Buildings
2018-19	7	Marker	Online	UCEM	Building Structures
2018-19	6	Marker	Online	UCEM	Construction Technology 2
2018-19	6	Marker	Online	UCEM	Building Surveying Practice
2017-18	4	Module Tutor	Online	UCEM	Sustainability in Organisations
2017-18	5	Module Tutor	Online	UCEM	Construction Technology, Innovations and Complex Projects
2016-18	7	Module Leader	Normal	UCLan	Strategic Project Management
2016-18	7	Module Leader	Normal	UCLan	Advanced Construction Technologies
2012-Now	Senior & Mid managers	Trainer	Online	Independent	Environmental, Carbon and Sustainability Training
2021	Women entrepreneurs	Trainer	Online	Independent	Systems Thinking, Problem Analysis and Solving Workshop
2021-22	Research Scholars	Trainer	Online	UCEM	Research Methods Training Sessions for Early Career Researchers

LEADERSHIP & ENTREPRENEUR EXPERIENCE

Founder, [Global Sustainable Futures Progress through Partnerships Network](#).

- Strategic management & administration of a global climate change and sustainability knowledge exchange program, networking, communications, public awareness, engaging researchers, practitioners, individuals, and organisations, & the use of data for carbon management, sustainable development, and resilience.

Founder, Global Sustainable Futures Network CIC (previously called Rainkal Eco Consultancy), Principal Consultant, Lead Auditor & Verifier, Trainer & Researcher.

- Environment & Carbon Management, Net Zero, ESG, and Sustainability (CSR) assessment and reporting, Research and Training.

Partner, Rainkal Land and Estate Management.

- Responsible for the overall management of the construction company, including liaising with architecture, service providers and clients.

Responsibilities

Undertaking significant administrative and management duties, coordinating programme development and project leadership responsibilities. Administer

Achievements

- Current capacity: 5000 volunteer coordinators from 161 countries
 - Schedule, Coordinate, and Lead 150+ monthly seminar series (every 2nd and 3rd Fridays): [GSFN FRIDAY IDEA EXCHANGE](#), highly focused on taking actions towards

voluntary coordinators' (members') register, project records, Network's programme, and other records.

Playing a pivotal role in steadily fostering the Network globally, promoting the Network activities locally, nationally, and internationally, and enhancing the Network's profile.

Creating synergies/collaboration/partnerships across national borders and academic disciplines and promote a multi-disciplinary, multi-stakeholder, transnational global network that genuinely delivers positive outcomes to pursue the UN Sustainable Development Goals (SDGs) in the educational and organisational context.

climate change, theories and frameworks to assist decision-making.

- Created 150+ partnerships with individuals and organisations to deliver knowledge exchange, capacity development research and educational activities for addressing climate change and co-creating sustainable futures, leaving no one behind.

- Country Partner and Core Executive Team member for Changemakers20 Summit 2023.

- Invited Distinguished Speaker, Women in SMEs as Drivers of Economic Growth, G 20 International, 15 July 2023, 12:30 GMT, online.

- Invited Distinguished Speaker, [EUTECH, European Technology Chamber, SDG Alliance – Regenerative Agriculture: Feeding the World Sustainably](#) – Tech.Forum - Networking Platform, July 13, 2023, at 09:00 am till 10:00 am CEST, online.

- Partner, Promoter, and [Keynote Speaker, 2 days International Conference on Sustainable Development Goals](#), Khwaja Fareed University of Engineering & Information Technology (KFUEIT), 12-13 July 2023, Pakistan, hybrid.

- Keynote Speaker, Together we will make a difference, Sustainability Learning Conference, Senior Leadership Training Session, 27 June, 2023, at 12:30 GMT, online.

- Chief Guest for the day, [The Importance of Culture for Sustainability](#), conducted by G-20 International, Online Confluence on 'Culture for LIFE', 11 June 2023, at 12:00 GMT, online.

- Chief Guest, 1st Lecture of G20 University Connect Lecture Series "Sustainable Science & Well Being Education", organised by Mahatma Gandhi Central University, India, 10th May 2023, 1:00 PM IST.

- [Organised 45-minute roundtable discussion on Nature-Based Solutions for Restoring Our Earth in partnership with the EU's European Climate Pact, April 22, 14:00–14:45 CEST](#)

- Observer at [the Joint session of the Technology Executive Committee and the Advisory Board of the CTCN, 24 March 2023](#), and the 21st Advisory Board meeting of the UN Climate Technology Centre & Network (CTCN), 27-29 March 2023

- Invited Speaker, Redefining Yourself: Turning Challenges into Opportunities, Global Women in Business and Leadership Summit, 3-4 Mar 2023, online.

- [Speaker at Leadership Dialogue 3 - Round 2 \(Leadership Dialogues\), Stockholm+50](#)

- Ambassador and Partner (Promotor) – 1 Million Youth Actions Challenge

- Motivational International Speaker, Impact Circle x Youthopia from AIESEC in Semarang, Indonesia

- [Inauguration and closing ceremony of a training program on SDG for gifted children and their families](#)

- ['Earth Day 2022 - Investing in Collaborations for our Planet'](#)

- [GSFN CONFERENCE 2021 “Co-creating sustainable knowledge infrastructure and mobilising the power of transformative innovation policy and practices for societal and environmental challenges”](#)
- [GSFN Mid-Year Conference](#)
- [Business Diversity and Recovery through Adversity](#)
- [Sustainable Integration of Good Governance for Healthy Economy.](#)
- [Witness Report Series at the Midlothian Climate Beacon.](#)
- Working with the Mayor of Dhorpatan, and 1000 volunteers, creating a roadmap for ‘Lumbini-Dhorpatan-Dolpo Sustainability Special Eco-Zone’
- Strategic Advisor to three businesses: Equator Geo, India
- MetaGood Vessels for Circular Planet, Pakistan,
- Community of Guardians, Canada
- Trustee at the See Through News Brains Trust, UK
- Actions for Development of Africa (ADA)

Providing leadership and operational management to the global Network and partnerships in delivering national and international activities across the globe, including transnational education and research projects, adaptive capacity building projects, international conferences, delivering motivational talks and monthly seminars, facilitating networking, and knowledge exchange activities, engaging academia, NGOs, international organisations, and businesses in Sustainability and leadership.

- Delivering 20+ projects with universities, NGOs, communities, and students worldwide to empower youth, women, and early careers, for Climate change, adaptive capacity, and SDG advocacy.
- Volunteer on the Global Judging Committee for the ‘Solving for Humanity (SFH)’ program organised by the youth-led global network ‘South-North Scholars’ with the colleagues at the United Nations Human Development Report Office (UN HDRO), Aug 2023.
- Sustainability [Education Professional Mentor](#) for the De La Salle Model United Nations.
- [Visiting Fellow for Global Sustainability \(Research\)](#), Baliuag University, Philippines, delivered a monthly workshop series: ‘Shaping Sustainable Futures Together’, developing a book on the Series lectures.
- [Early Career Researcher Champion for ‘Integrated actions for SDGs’, SRI 2021.](#)
- Delivered PAML4SDG: [Python & Artificial Intelligence, Machine Learning Classes for SDG \(Sustainable Development Goals\) goals with the Federal University of Technology, Minna, Nigeria.](#)
- Presented at [V Kharkiv International Legal Forum, “Environmental and Legal Aspects of Sustainable Development”](#)
- Partnered with [First International Conference on Technologies for Smart Green Connected Society 2021](#)
- [CLIMATE FRINGE 2021: SDGs, Climate Change & Global Sustainable Futures.](#)
- Delivered [a Joint International Research Conference in Environmental Resilience, 13-15 December 2020, Guest speaker at RIPEDRC annual conference, December 22, 2020.](#)

Strategically lead the Network’s activities in line with the Network vision, objectives, priorities and focus areas, consequently developing into an all-inclusive global network.

- Partnered with COTRI China Outbound Tourism Research Institute and the ADVANTAGE: TOURISM Group, Hamburg/Germany, for research and education on Meaningful Tourism.

- Partnering with Dr Chidi Maduka to deliver ‘Public Lecture Series on Mental Health and its implications for total wellbeing’
- Partnering with De La Salle University, Philippines, Wolaita Soddo ATVET College, Ethiopia, and University of Calabar and Federal University of Technology Minna, Nigeria, working with senior management to implement the whole-institution-wide sustainability programme.
- Partnered with AgriTC, led by Dr Liana Suryaningsih Badrun, to boost the Indonesian farmers on “how to create a sustainable environment for their coffee orchard” and to improve their coffee quality”.

Develop web pages, branding and create marketing material, social media posts, blogs, weekly and monthly newsletters, and producing reports on the Network’s activities.

[TedTalk](#) | [LinkedIn](#) | [LinkedIn](#) | [WhatsApp](#) | [Facebook](#) | [Twitter](#) | [Instagram](#) | [YouTube](#) | [Blogs](#) | [Future Earth Circle](#) | [Joinmycommunity](#) | [Telegram](#), [Pzaz TV](#),

Engage with senior executives, mid-managers, and employees to implement ISO 14001, ISO 14064 & 14001, and PAS 2060 to successfully achieve accreditations such as PAS2060 certification, EcoVadis Certificate/Award, UN Global Compact Signatories.

Assistant to organisations regarding:

- Sustainability management procedures
- Sustainability reports
- Social Audit reports
- HSE policies
- Code of Ethics/Conduct
- Employee handbooks
- Certificates (ISO14001, OHSAS18001, among others)
- Trained 10 SMEs for ISO 14001 Environment Management System
- Audited 5 large organisations for the Mayor of Green Procurement Code Award, successfully review 1 private, 1 charity and 3 public organisations leading them to either of Gold, Silver or Bronze Award.
- Lead environmental review, legislative register, compliance requirement, environmental annual plan for 15 SMEs
- Lead 2 SMEs for carbon management
- Lead 1 SME through EcoVadis certificate – Gold Award
- Leading 1 SME for UN Global Compact Signatory status
- Created recycling zones in retails shops of a hospice and trained staff to manage solid waste, reduced 90% of waste going to landfill.
- Consulted 2500 households to increase awareness of Kerbside recycling scheme introduced by the council

- Directing, managing and administrating land and estate developments.

- Managed large budgets of approx. £2M/year, completed 8 land and estate developments, contributing towards annual sales targets, growing by 20% every year.

WORKS SUMMARY

[Google Scholar i10-index: 2, h-index: 5, 67 citations](#) Exclusive Interview – 11, Seminar & Workshops Speaker – 100+, Workshop Chief Guest – 15+, Talks – 50+, Workshop Participant – 4-100, Blogs – 11, Reports – 10, Book chapter – 2, Journal articles – 9 (+5 forthcoming), Special Issue Editor – 1, International conference presentations: 60, Conference organisation – 10, Conference Partner – 8, Conference Track/Chair – 8, Keynote Speaker – 10, Plenary Speaker – 10, Referred Conference Paper – 8, Scientific committee member – 5, Panel Organiser and Chair – 8 (+1 forthcoming), Panel Moderator – 10, Panellist – 50, Poster presentation – 10
